REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.  
The following errors have been made:

In column 10, claim 23, line 24, the section "length of the first beam is the different from the length of the" is erroneous and instead should read as -- length of the first beam is different from the length of the --.

In column 10, claim 24, line 27, the section "width of the first beam is the different from the width of the" is erroneous and instead should read as -- width of the first beam is different from the width of the --.

In column 10, claim 25, line 30, the section "thickness of the first beam is the different from the thickness" is erroneous and instead should read as -- thickness of the first beam is different from the thickness ---.

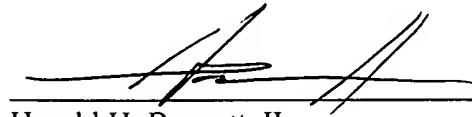

The errors are of a clerical nature, are of minor character, would not constitute new matter or require reexamination, and were made in good faith.
